

“Everyone said...”

Project Rachel Radio Spot (:60)

Woman 1: Everyone said it was OK...

Woman 2: I had a life...

Woman 3: They said it was a *choice*...

Woman 2: I had a career...

Woman 3: ...but I didn't really feel like I had one.

Woman 1: I was looking outside for answers...

Woman 2: ...I didn't want to mess it all up.

Woman 3: I went on remote control.

Woman 2: I didn't want things to change...

Woman 3: It wasn't the *real* “me” that went that day.

Woman 2: ...but they changed in ways I never wanted.

Woman 1: It's like I got a “yes” from everyone else...

Woman 3: I just went numb.

Woman 1: Later I looked, I mean *inside*.

Woman 2: I can't seem to change it back now.

Woman 3: They said it was “simple.” It's *not*.

Woman 1: I never really got a “yes” from *me*.

Woman 2: The life I had...it's gone.

Woman 3: They said it was *easy*...

Woman 1: Why am I still hurting?

Woman 3: ...not one single day's easy for me.
