

# “Haunted...”

*Project Rachel Radio Spot (:60)*

---

Woman 1: I feel empty inside...

Woman 2: Days would come...

Woman 3: They said, “don’t dwell in the past.”

Woman 2: ...and days would go...

Woman 1: ...a shell of a person.

Woman 2: ...but I would never change.

Woman 3: They said, “forget it and get on with your life.”

Woman 1: I felt like I didn’t deserve love.

Woman 2: I’d look inside...

Woman 1: He couldn’t understand.

Woman 2: ...I tried to find the person I was...

Woman 3: Society doesn’t want you to grieve.

Woman 2: ...but that person I was...was gone.

Woman 1: It’s like there’s a hole in my soul...

Woman 2: I wasn’t there anymore.

Woman 1: ...a hole nothing can fill.

Woman 3: Everyone thinks it should all be over by now. But it isn’t.

Woman 1: The permanence of it...

Woman 3: It’s not over. Not for me.

Woman 1: ...it’s something only a mother could understand...

Woman 2: I don’t know if it’ll ever be over.

Woman 1: ...only I never got to be one.
